Sir:

RENEWED PETITION UNDER 37 C.F.R. § 1.78 (a)(3) TO ACCEPT UNINTENTIONALLY DELAYED CLAIM UNDER 35 U.S.C. § 120

This is a renewed petition in line with the helpful comments of the Office of Petition's decision of March 9, 2006.

On December 19, 2005, applicant filed a petition to accept an unintentionally delayed priority claim. On March 9, 2006, the Office of Petitions dismissed the petition and suggested a renewed petition after the filing of a proper amendment that deletes the incorporation by reference statement. Today, applicant is concurrently filing the proper amendment (a copy of which is attached). Thus, applicant hereby renews its petition for acceptance of an unintentionally delayed claim for the benefit of prior-filed application Serial No. 09/948,713 in

the above-referenced case. The corrected priority is submitted herewith in an amendment to the specification correcting the cross reference to related applications – which actually matches applicant's original filing cover sheet of February 18, 2004 (a copy of which is attached).

The entire delay between the date the claim was due under 37 C.F.R. § 1.78 (a)(ii) and the date the claim was filed was unintentional. If necessary for this renewed petition, please charge the surcharge set forth under 37 C.F.R. § 1.17(t) to Deposit Account No. 14-1140.

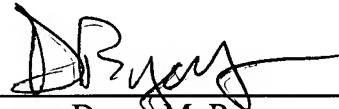

In the event that any other fees are necessary to complete this request, authorization is given herein to charge any deficient fees, or to further credit any overpayments, to Deposit Account No. 14-1140 in order to maintain and amend the continuity information of this application.

Any questions regarding this renewed Petition may be directed to the undersigned attorney of record at the telephone number shown below.

Respectfully submitted,

NIXON & VANDERHYE P.C.
